Seeking to be an authentic Christ-like community

Gold Hill

Week commencing 15th April 2018

WELCOME

Thanks for joining us at Gold Hill today - praying your time here will be a blessing and provide encouragement. Please join us for tea or coffee if you are able.

This morning we start two new sermon series: at 8.15 'Friend of God' begins to explore the life of Abraham, to whom great promises were made. What was it that made Abraham a friend of God, and now makes us friends of God in Jesus? At 10am we begin to journey through the book of Deuteronomy - in which God's people stand on the brink of the Promised Land; this week we take a look back with Israel at God's promises and His faithfulness to them.

This evening we look at the lyrics of a modern hymn, and explore what it is to be free in Christ - with forgiveness in life, and hope after death.

Father God, thank you that you not only promise us many good things, but you are true to your promises. May we point people to your faithfulness, and be people of integrity ourselves.
