

GIFTED

A weekly activity that will encourage 5–11 year olds to think about how they can use their creative talents to worship and listen to God.

Who Are We?

My name is Shona Hunter-Singh and I am currently the Children's and Family Worker at Gold Hill Baptist Church in Chalfont St Peter.

In a typical week we love to connect with children and families from our village and beyond. Due to the worlds current situations, meeting in person has had to stop for the time being. However, this doesn't mean that we don't want to continue connecting with our community.

Over the next season we will be uploading different resources to our website for 0-11s and families at:

goldhill.org/kidszone

Here you will also find a weekly plan for the different things we will be uploading or doing virtually that you would be more than welcome to join.

You are also able to contact myself directly at

How it Works

In March 2020 we began a group which allowed children between the ages of 5-11 to explore how they can use their creative talents in worshipping and listening to God.

Over the next few weeks we will be uploading a weekly activity that we pray will allow this to continue at home.

We would love to see the creations you come up with. If you are on Instagram or Facebook please do tag Gold Hill Baptist Church. Or email me on the address above!

Bible Study:

1 Corinthians 12:12

¹²The human body has many parts, but the many parts make up one whole body. So it is with the body of Christ.

1 Corinthians 12:18-19

¹⁸But our bodies have many parts, and God has put each part just where he wants it. ¹⁹How strange a body would be if it had only one part!

1 Corinthians 12:27

²⁷All of you together are Christ's body, and each of you is a part of it.

1. What is the body of Christ?
2. Why is it important that our bodies have lots of different parts?
3. What does this mean about the body of Christ?
4. What are these verses trying to say?
5. What do you think your role is in the body of Christ?
6. What can we share with others about these verses?
7. What has stood out to you?

Take some time to Be Still (Psalm 46:10). You might want to listen to part of this song:

Prayer

Dear God,

Thank you that you have given us lots of talents and skills. Thank you that everyone has a part to play in the body of Christ and that we all need each other. I pray that you use me to tell people about you and show me how I can encourage others in what you have called them to do.

Amen.

Worship Activity:

Mosaic

Cut out some squares of paper (this can be on white paper or on coloured paper) that can be like mosaic tiles.

Using the tiles make a mosaic, as you do this be reminded that everyone has a role to play in Gods kingdom.

Maybe God has reminded you of a name of someone who you can share this with, or a word about what the body of Christ should be like. You could write this on some of your tiles or use it to inspire the shape that you are going to make.

What has God been saying to you?

Has he reminded you of anything? Maybe, He has given you a name of someone or something else!

Why not make a note of these things and pray about what God is saying to you today.
