

# GIFTED

A weekly activity that will encourage 5–11 year olds to think about how they can use their creative talents to worship and listen to God.

# Who Are We?

My name is Shona Hunter-Singh and I am currently the Children's and Family Worker at Gold Hill Baptist Church in Chalfont St Peter.

In a typical week we love to connect with children and families from our village and beyond. Due to the worlds current situations, meeting in person has had to stop for the time being. However, this doesn't mean that we don't want to continue connecting with our community.

Over the next season we will be uploading different resources to our website for 0-11s and families at:

Here you will also find a weekly plan for the different things we will be uploading or doing virtually that you would be more than welcome to join.

You are also able to contact myself directly at

# How it Works

In March 2020 we began a group which allowed children between the ages of 5-11 to explore how they can use their creative talents in worshipping and listening to God.

Over the next few weeks we will be uploading a weekly activity that we pray will allow this to continue at home.

We would love to see the creations you come up with. If you are on Instagram or Facebook please do tag Gold Hill Baptist Church. Or email me on the address above!

## Bible Study:

John 8:12

<sup>12</sup> When Jesus spoke again to the people, he said, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life."

1. What do you think of when you think of 'light'?
2. If you are in a dark room and you turn the light on, what happens to the darkness?
3. What do you think this verse is saying?
4. Why do we praise God for being 'light'?
5. What does this verse tell us about being friends with Jesus?

Take some time to Be Still (Psalm 46:10). You might want to listen to this song:

Great Are You Lord – All Sons & Daughters

## Prayer

**Dear God,**

Thank you that you love me. Thank you that we can celebrate that you are the light. We praise you because you have defeated the darkness. Help to always remember that even though sometimes we might feel like we are in darkness. That you are always there. And even then, you are the light.

**Amen.**

## Worship Activity:

This week's activity is a bit different. Go around your house/garden/on your walk and take some pictures of shadows. If you can, print them off and make a collage. On your collage write that Jesus is the light of the world.

When you do this worship God for always being the light and that He has overcome the darkness.

## What has God been saying to you?

God always wins! Even when things seem dark, He always shines His light.

Has he reminded you of anything? Maybe, He has given you a name of someone or something else!

Why not make a note of these things and pray about what God is saying to you today.
