

# GIFTED

**A weekly activity that will encourage 5–11 year olds to think about how they can use their creative talents to worship and listen to God.**

# Who Are We?

My name is Shona Hunter-Singh and I am currently the Children's and Family Worker at Gold Hill Baptist Church in Chalfont St Peter.

In a typical week we love to connect with children and families from our village and beyond. Due to the worlds current situations, meeting in person has had to stop for the time being. However, this doesn't mean that we don't want to continue connecting with our community.

Over the next season we will be uploading different resources to our website for 0-11s and families at:

Here you will also find a weekly plan for the different things we will be uploading or doing virtually that you would be more than welcome to join.

You are also able to contact myself directly at

# How it Works

In March 2020 we began a group which allowed children between the ages of 5-11 to explore how they can use their creative talents in worshipping and listening to God.

Over the next few weeks we will be uploading a weekly activity that we pray will allow this to continue at home.

We would love to see the creations you come up with. If you are on Instagram or Facebook please do tag Gold Hill Baptist Church. Or email me on the address above!

## Bible Study:

This week, our Bible study is a little bit different. I am going to tell you something about a man called Paul. If you want to watch a video about him, you can click on this link: <https://www.youtube.com/watch?v=g-tqgp8g-TM>

Paul wrote many letters in the Bible. But, some of them were written whilst he was in prison! Paul was so committed to helping churches in different places and sharing Jesus with them.

1. Do you think it would have been hard or easy for Paul in prison?
2. Why did he want to tell people about Jesus?
3. What can we learn from Paul?

## Worship Activity:

Our worship activity this week is a bit different too!

We aren't in prison but we are in lockdown which is very different to being able to see our friends, go to school and all of the things we normally would have done.

Paul wrote letters to the Church, he encouraged them, told them about Jesus and sometimes even challenged them in a way that made them stronger.

Spend some time listening to God. Just like Paul, write a letter to the 'Church'. What does God want to say to them whilst we are in lockdown? How can we share Jesus with other people? What does He want us to remember?

Remember, when God speaks to us it always builds us up and brings us closer to Him.

## What has God been saying to you?

Has God reminded you of anything? Maybe, He has given you a name of someone or something else!

Why not make a note of these things and pray about what God is saying to you today.
