

GIFTED

A weekly activity that will encourage 5–11 year olds to think about how they can use their creative talents to worship and listen to God.

Who Are We?

My name is Shona Hunter-Singh and I am currently the Children's and Family Worker at Gold Hill Baptist Church in Chalfont St Peter.

In a typical week we love to connect with children and families from our village and beyond. Due to the worlds current situations, meeting in person has had to stop for the time being. However, this doesn't mean that we don't want to continue connecting with our community.

Over the next season we will be uploading different resources to our website for 0-11s and families at:

goldhill.org/kidszone

Here you will also find a weekly plan for the different things we will be uploading or doing virtually that you would be more than welcome to join.

You are also able to contact myself directly at

How it Works

In March 2020 we began a group which allowed children between the ages of 5-11 to explore how they can use their creative talents in worshipping and listening to God.

Over the next few weeks we will be uploading a weekly activity that we pray will allow this to continue at home.

We would love to see the creations you come up with. If you are on Instagram or Facebook please do tag Gold Hill Baptist Church. Or email me on the address above!

Bible Study:

Romans 5:8

⁸ But God shows his great love for us in this way: Christ died for us while we were still sinners.

1. What did Jesus do for us on the cross at Easter?
2. What do you think this verse means?
3. If someone gave you the greatest present, what would you say? How would you react?

This verse is from a book called 'Romans' which is a letter written by a man named Paul. In this verse it is telling us that even though we did and do 'messy' things that are against God, he still loves us. He takes our mess and get rids of it, He gives us a new purpose.

Take some time to Be Still (Psalm 46:10). You might want to listen to this song:

Prayer

Dear God,

Thank you that you love me. Thank you that you have chosen me. Thank you that even though I do things against you that you will never leave me. I pray that as I am at home you remind me of this truth. May my making and creating glorify you!

Amen.

Worship Activity:

Around your house try and find some recycling or scrap materials. To us, these things have served their purpose and might not be of use to use anymore.

Using these things, make something amazing! As you are doing that, praise God for always making something amazing and unique from us. He has a very special plan for each of our lives, even though He knew that we were going to do things against Him, He still chooses us and loves us.

What has God been saying to you?

As you have made something amazing out of something that could have just been thrown away, what has God been saying to you?

Has he reminded you of anything? Maybe, He has given you a name of someone or something else!

Why not make a note of these things and pray about what God is saying to you today.
