Question:

How faithful is God?

How has God showed us His faithfulness?

What do you think life would be like if we didn't know that God was faithful?

Can you think of anyone else in the Bible that reminds us of God's faithfulness?

What does God's faithfulness mean to you?

Putting it into action

We are in a really different time at the moment. Sometimes we can just associate God with Church but actually, God is everywhere. He is at home with you now!

Sometimes we can miss seeing what God has given us. Spend some time now thinking about something that God has provided you with. It may be something like your friends or it could be a really fun memory.

Activity

Scavenger Hunt.

Get something you can use as a basket and go outside and collect as many random things as possible. Afterwards, sit down with someone in your house or even zoom a friend and talk about how you can be thankful for that thing and how it shows that God is faithful.

For example, you might find a twig. So you might want to thank God for trees. But why? Well, because trees give us oxygen, food, shade – lots of things!

Worship
