What is part of...

God's Great Plan?

Activities

1. Have a go at making your own bridge out of lego, duplo or any other construction kit that you may have – now try making a cross. If you don't have any construction materials you could try making a bridge using card or junk materials.
2. You could make a cross out of card and write the words 'Jesus died for me' on it. Why not make another cross and write 'Jesus died for you' and give it to somebody else.
3. Make a friend in lockdown. Write a letter to our friends in Rock House/Gold Hill Care. You can tell them about what you have been up to or even draw them a picture!

Worship and Reflection

Play the song 'Thank you Father'.

Find a comfortable place and sit and listen carefully to the words.

Prayer

Remember Jesus' cross makes a bridge between us and god. Here is the prayer I mentioned in the video. You may be saying it for the first time or as a reminder to confirm what you have prayed.

Father God, I know that I have done wrong things and that I have been far from you. Thank you that you love me too much to let me stay far away. Thank you Jesus that you died on the cross for me. Holy spirit, help me to live in the right way. You are in charge of my life from now on. In Jesus' name,

Amen.

I hope you enjoy doing these things.

Have a great week.
