

# How to read the Bible?

Here are some things that you can do to help you read the Bible and understand what it is saying. You could use this to follow the Sunday services.

**SOS can help us start to ask some questions that help us understand what the Bible is saying.**

# S

## What do the verses **SAY**?

Does it tell us about God's character? Does it tell us about how we should live? Does it tell us about a person?

# O

## What must I **OBEY**?

How can we learn from the Bible verses?  
What does it teach us about how to live?

# S

## What can I **SHARE**?

Is there someone you know that may need to know what these Bible verses say? Can I share what I have learnt from the Bible with other people?

### Draw It!

You could draw a picture of what the Bible verses is saying

### Ask It

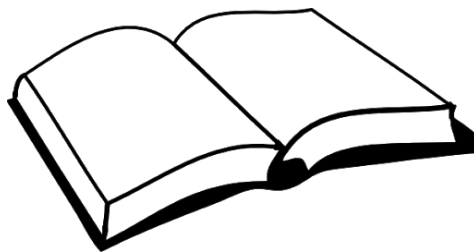

You can ask people around you to help you understand something more.

### Play It

Can you recreate the verses using things like lego or toys or dance or drama?

## Some other things you could do are...

### Sing It

Maybe the verses have reminded you of a song that you could sing or play using musical instruments. Or maybe it could help you write a song!

### Write It!

Is there a sentence there something that stood out? You could write it down.

### Pray It

Can you turn what you have learnt into a prayer?
