

# PRAYER GUIDE

Jesus Christ, King of Heaven, reached out to his creation and walked this earth. Through his life, death and resurrection he made restoration and wholeness possible; in so many ways: with God, with ourselves, in situations and relationships. As his disciples, he gives us his Spirit to release and empower us to do what he did, to continue reaching people far from God and seeing them restored back to him. This is THE STORY that has changed our lives. This is THE STORY that we are living now. Over this next month this guide will help each of us in praying as a church family for THE STORY of Jesus to impact people in our communities.
