

Toddler Tuesday

A weekly resource for Toddlers including a
Bible Story and Godly Play!

Who Are We?

My name is Shona Hunter-Singh and I am currently the Children's and Family Worker at Gold Hill Baptist Church in Chalfont St Peter.

In a typical week we love to connect with children and families from our village and beyond. Due to the worlds current situations, meeting in person has had to stop for the time being. However, this doesn't mean that we don't want to continue connecting with our community.

Over the next season we will be uploading different resources to our website for 0-11s and families at:

goldhill.org/kidszone

Here you will also find a weekly plan for the different things we will be uploading or doing virtually that you would be more than welcome to join.

You are also able to contact myself directly at

How it Works

Every Tuesday we will upload a 'Toddler Tuesdays' pack.

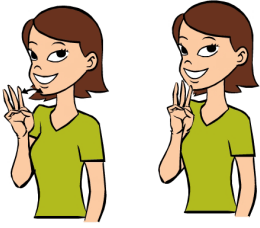

In this, you will find a variety of activities that will go alongside a Bible story which will be told by video and can be found on our website.

It may be that you want to use all of our suggestions or it may be that you only want to use a few.

We just pray that it will help you at home in the coming weeks ahead.

Time to Talk!

If your child is old enough teach them this sign for water and ask them where can we find water?

Talk to them or describe to them what a beach or the seaside is like. There is lots of water!

Sensory Play

Find a selection of wet and dry objects. What do they feel like when they are different?

Listen to the Story!

If you go to our website at goldhill.org/kidszone you will find a video clip of Shona sharing this weeks story.

Craft

Cut out some squares of blue paper, tissue paper or anything that you can find.

Print off or recreate the next page and stick the blue onto the sea. Talk about how God is so big, He can move water, just like in the story!

Jump for Joy!

God is so Big!

Put on our Toddler Tuesday playlist and spend some time jumping for joy! Maybe, you have a blue scarf or piece of material you can use to dance with as you jump for joy. It can remind you can God moved water.
