

Turning the Tide:

Creating a wave of prayer throughout the region for our region

Between Ascension (Thursday 30th May) to Pentecost (Sunday 9th June) we are holding a Wave of Prayer across the South Bucks region. Each day there will be at least one prayer gathering open to everyone who would like to gather and pray specifically for our region to be reached with the Good News of Jesus Christ and a renewal of the church by His Spirit. Our wave of prayer will build towards a big celebration on Pentecost Sunday Evening at Union Baptist Church, High Wycombe. At each gathering there will be a prayer guide to help us pray for the churches and seek God's heart for our region.
